

Join us for a summer full of adventure, learning and fun!

Explore the World – South America | Ages 5½-9

This year, young explorers dive into the wonders of South America - embarking on a global cultural adventure using Montessori geography maps, continent boxes, and hands-on artifacts. They explore music, traditional dress, foods, and everyday life from countries around the world. Along the way, children create map puzzles, country fact cards, and their own mini cultural booklets. Our hands-on session is filled with art projects, experiments, and multimedia activities that bring the continent's stories, colors and traditions to life. Join us for an unforgettable adventure and discover South America's vibrant cultures, breathtaking landscapes, and incredible wildlife! *Open to children who have completed kindergarten.*

SESSION 1

Week 1 (June 15-19) | Tuition: \$425 morning only, \$680 full day

Week 2 (June 22-26) | Tuition: \$425 morning only, \$680 full day

Fun with Soccer | Ages 4-6

Daily soccer practice emphasizes cooperation, controlled movement, and self-discipline. Campers build their dribbling, passing, shooting, and defensive skills through Montessori-style stations designed for repetition, focus, and mastery. Games highlight teamwork and communication. Reflection circles help athletes set goals, celebrate growth, and understand the value of sportsmanship – all while building friendships along the way.

SESSION 1

Week 1 (June 15-19) | Tuition: \$395 morning only, \$650 full day

Week 2 (June 22-26) | Tuition: \$395 morning only, \$650 full day

Drama "Fun with Theater" | Ages 6 ½-9

Step into the spotlight! In this two-week camp, students are immersed in all aspects of theater as they rehearse and perform an original play. Along with acting, campers gain hands-experience in playwriting, costume design, prop creation, and set construction. Each afternoon, they explore elements of the performing arts including dance, choreography, costume and prop making, and scenery design. The camp concludes with a final performance for family, friends, and fellow Albrook campers – a wonderful celebration of creativity and teamwork. *Available as a two-week session only.*

SESSION 3 (July 13-24) | Tuition: \$850 morning only, \$1,360 full day

Drama "Intro to the Theater" | Ages 4-6

In this lively program, children tap into their imaginations as they embody characters, act out stories, sing songs, and learn simple dances. They'll receive guidance in acting, creative dramatics, and introductory musical theater, building confidence and performance skills along the way. Each week concludes with a group performance on stage, giving students the chance to shine and share what they've learned.

SESSION 4

Week 1 (July 27-31) | Tuition: \$425 morning only, \$680 full day

Week 2 (August 3-7) | Tuition: \$425 morning only, \$680 full day

Digital Art | Ages 6-9

Unleash your creativity in the digital age! Join us for a fascinating journey into the world of Digital Art, where imagination meets innovation. This dynamic medium opens new doors for artistic expression, blending traditional creativity with cutting-edge computer skills. In our state-of-the-art Computer Lab, young artists will experience the thrill of designing their own digital masterpieces. But that's not all - we'll also engage in the arts hands-on, exploring everything from painting to sculpture and beyond! By combining digital tools with traditional techniques, campers expand their artistic horizons in exciting new ways. Campers will develop essential computer skills and explore different art mediums and techniques. Join us for an extraordinary Digital Art adventure. *Available as a two-week session only.*

SESSION 4 (July 27-August 7) | Tuition: \$850 morning only, \$1,360 full day

STEAM

Engineering the Flow: Aerodynamics | Ages 6-9

What makes an airplane fly? It all comes down to aerodynamics – the science of how air moves. Campers will explore the four forces of flight that help an object soar through the sky, using hands-on activities and experiments to see these concepts in action.

SESSION 2 Week 1 (June 29-July 2) | Tuition: \$340 morning only, \$545 full day

Engineering the Flow: Hydrodynamics | Ages 6-9

What do ships, submarines, and surfers all have in common? They rely on hydrodynamics – the branch of physics that explores how fluids move. Campers will delve into the forces at work when objects interact with water, using hands-on experiments and investigations to see these principals in action.

SESSION 2 Week 2 (July 6-10) | Tuition: \$425 morning only, \$680 full day

Kitchen Chemistry | Ages 5 ½-9

Pull on your science and chef hat! This week is all about uncovering the magic of chemistry hiding in our everyday lives. Using simple, familiar materials, we'll tinker, test, and explore through hands-on experiments and activities related to food. Campers will learn how to hypothesize, observe, and draw conclusions just like real scientists. It will be a fun week filled with discovery, laughter, and memorable fun!

SESSION 3 Week 1 (July 13-17) | Tuition: \$425 morning only, \$680 full day

Molecular Magic & Chemical Surprises! | Ages 5 ½-9

You'll explore different branches of chemistry while playing with ordinary solids and liquids in extraordinary ways. See molecules transform into something totally unexpected and learn the “why” behind the wow! With everyday household materials as your tools, you'll let the fantabulous laws of chemistry turn simple objects into eye-popping, science-packed concoctions. Get ready to experiment, explore, and be amazed!

SESSION 3 Week 2 (July 20-24) | Tuition: \$425 morning only, \$680 full day

The STEAM experiments were such a hit, my son also made SO much progress swimming in just one week of lessons - more than we have ever experienced elsewhere.
